## Dear Parents, Carers and Students,

I would like to take this opportunity to thank staff, families and students for the opportunity to support in leading your school community during the past 5 weeks. It has been an enriching, professional experience and I hope I have mutually embraced and positively contributed to St Joseph's School.

## FOOTY COLOURS DAY

Thank you to the P&F for their ongoing generosity and commitment in organising Friday's Footy Colours Day, and ensuring that the BBQ / \$5 'meal deal' lunch was a success and enjoyed by all.

## CATHOLIC SCHOOLS MUSIC FESTIVAL

Congratulations to the students who represented St. Joseph's on Monday night in the Catholic Schools Music Festival at Festival Theatre. Each choir member should feel very proud of delivering such a polished performance. A *special thank you* also to Kathryn Thompson, the Music teacher, who has worked diligently to ensure that an excellent standard was achieved.

## SCHOOL CROSSING ZONES

Duty of care, ensuring children's safety is always paramount. It is important therefore, that all parents and carer's adhere to **safe driving behaviour** on the school crossings, especially at drop off and pick up times. These times are hectic and require vigilance and patience from all families. Thank you for your support.

Last week I was very upset to hear of a parking incident that occurred and caused great distress to one of our families during 'pick up' time.

**Please show patience and respect to others when you are parking your vehicle and remember your child/ren, grandchild/ren need good role models in their lives to become responsible citizens.**

## TERM 4 EVENTS

## St Vincent de Paul and Casual Day- Mini Vinnies

St Vincent de Paul was born in France in 1580. He moved to Paris as a young priest and helped people to pray and serve others. He loved the poor and the sick, especially children. The St Vincent de Paul Society continue to help those in need, by providing clothing, food and services to assist the poor and those in need. The Migrant and Refugee Centre at Hindmarsh is just one organisation helping those in need, by supporting clients in a multitude of ways.

This Friday, on the Feast of St Vincent de Paul, the Mini Vinnies group have coordinated for children to donate either a toiletry item or make a gold coin donation to the St Vincent de Paul society in exchange for the privilege to wear casual clothes.

In the hall, they have also set up for children to create posters at lunch, showing the works of the St Vincent de Paul Society.

## Catholic Charities

September is Catholic Charities Appeal month. Each family was given an envelope with information regarding these charities. Please consider donating if you are able.

## **Altar Servers**

Any student who has completed the School/Parish Sacrament Program (Reconciliation, Confirmation, Eucharist) in the past, is invited to train to become an altar server for weekend and school Masses. Altar serving is another way to minister within our Parish. A member of the Hindmarsh Parish will train and prepare students. Please send me an email or come and see me if you would like to find out more information. A separate note will come home in Term 4.

## **Staff Retreat**

**Monday the 14<sup>th</sup> of October is a Student Fee Day** (First day of Term 1). On this day, staff will participate in a Staff Formation/Retreat Day around the theme of 'in all things love' with Wayne Brabin.

**God of Grace and Wisdom,  
you continually raise up good people who show with their lives  
that they follow a holy and loving God.**

**Let our lives be true to all that our faith teaches,  
So that we will grow more and more in your son's likeness.  
We ask this through Christ our Lord. Amen**

# What is happening in the Preschool?

The Ella apps At the Circus and at the Park feature the names for body parts and body movements.

Like the face painter activity in the circus App, the children have been invited to create their face using loose parts such as beans, pasta and plastic lids. We labelled the parts such as eyes, nose and mouth in English and Italian.

L'occhio eyes

Il naso nose

La bocca mouth

La testa head

*This fun activity reinforces the words for various parts of the face and revises the words for colours learnt in App 2.*

# What is happening in the Preschool?

Friday was team colours day and the children, staff and parents of our community were invited to dress in team colours such as The Crows, Power and other sporting codes. A special sausage sizzle and jelly for lunch was enjoyed by many.

The children starting Reception in Term one 2020 spent another morning visiting the Reception unit this week. They made a frog puppet and spent time interacting with their peers. Children who make a positive start to school are more likely to feel excited and motivated to learn, have good relationships with others and develop a sense of belonging within the school community.
